## Autograph Sessions using Disney's FASTPASS

Disney's FASTPASS® Service will be utilized for all Autograph Sessions.

- Your Theme Park admission ticket allows you to receive a FASTPASS ticket. Limited number available.
- Just pick up your FASTPASS ticket with a designated autograph return time. Now you are free to experience other Star Wars Weekends activities.
- At your designated time, return to the autograph location, where you will have little or no wait for your autograph.
- FASTPASS tickets are based on limited availability and are distributed on a first-come, first-served basis.
- Each guest must be present to receive a FASTPASS ticket. You may not get tickets for other members of your party.

You must have a FASTPASS ticket to receive an autograph.

- Once the FASTPASS tickets for an actor are distributed, we will distribute a limited number of "stand-by" tickets with a return time. Based on availability, you will have the opportunity to get **one FASTPASS or one stand-by ticket** per actor. Due to the limited availability of tickets, once you have received a FASTPASS for an actor, you will not be eligible to get a stand-by ticket for that actor.
- "Stand-by" tickets do not guarantee you an autograph.

FASTPASS for autographs will be distributed **outside the Disney's Hollywood Studios™ Main Entrance to the right of the turnstiles.** Distribution may begin prior to park opening based on demand.
